Dear Dr. Deemer,

Thank you for your support of our Newton Rams varsity boys' basketball team for the 2010-2011 basketball season. We truly appreciate your support and willingness to sponsor our team this year and in seasons past. Supporters like you are a big reason we are successful on and off the court, in shaping the young men of our program into the men God wants them to be after high school. From our team to yours, we are grateful you are the official dental office of Newton basketball. May God richly bless your practice and all your employees and family members for the positive example you set in our community. Our success could not be possible without special people like you. We wish you all the best in 2011 and beyond. Go Rams!

Sincerely,

Coach Rick Rasmussen
